

# OCCULUX<sup>®</sup> ANSI 107-1999 Compliant Class 3 BREATHABLE POLYURETHANE FOUL WEATHER COAT

Lightweight, supple, breathable, waterproof coat provides maximum comfort in rainy or windy conditions and where high visibility is required!

**NEW!**

High collar for wind and rain resistance with hide-away hood

Exclusive OccuLux™ polyurethane and polyester backed fabric for all day work comfort

RF welded and sewn seams with elastic cuffs for durability and water resistance

360° **3M** Scotchlite Reflective Tape

Zipper and snap front with two large snap pockets

Two-tone design is both stylish and practical: Dark accents on sleeves, collar and lower body hides dirt
