

# PATIENT TRACKING

Introducing **TrakBAND™**.  
Use this **NEW Versatile Bar Coded Waterproof Wrist Band** to Track Just About Anybody or Anything.

- Mass Evacuation
- Visitor Tracking
- Family Reunification
- Family Assistance Center
- Everyday Patient Tracking
- Nursing Home Resident Tracking
- Disaster Victim Tracking
- Student Tracking
- Pandemic Flu Tracking
- Mass Vaccination Tracking
- Ambulatory Patient Tracking
- Pet Tracking
- Livestock & Agriculture Tracking
- etc.

**Now, TrakBANDs™ are Available in 10 Different Colors**

**Track Hospital Visitors!**

- Example:
1. Wrap band around person's wrist, peel off adhesive backing from the wrist band section **ONLY**, leaving the adhesive strips on Stickers 1 and 2 covered. Adhere the exposed adhesive on the wrist band section to the other end of the **TrakBAND™** to secure to person's wrist.
  2. Login transport information on Tracking Log, remove Bar Coded Sticker 1 and affix to Tracking Log.
  3. Login person as they are received at destination, take Bar Coded Sticker 2 and affix to destination's Tracking Log.

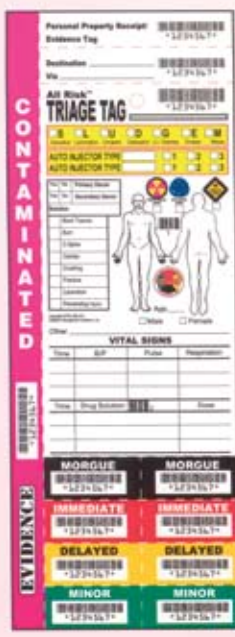

**NOTE:** There are many different methods that can be used to track whatever you need to track using **TrakBAND™**. We have several types of Tracking Log Pads available, or you can create your own tracking log.

TrakBAND™ Tracking Logs are 8 1/2" x 14" Legal Size Forms. Packaged 4 pads of 25 per pack.

Customized Log Sheets are available. Call or email DMS with your specifications. Special one time set-up charge applied.
